PENTAIR

Q Search

We are delighted to invite you to take the training on Cleanload Nexus, our Closed Transfer System designed for use with Easyconnect caps.

We have developed a series of training courses that in conjunction with the product manuals will help to inform you to how to install, operate, service and maintain Cleanload Nexus.

When you have completed the training, you may request to be added to our register of trained installers and service agents which will be made available for end users to search for a supplier/installer.

Q&A Training Hub

Q: Can I follow the training(s) in my own language?

A: The trainings are only available in English language for the moment. Other languages will be offered in the future.

Q: How many courses does the Cleanload Nexus learning path consist of?

A: There are 12 courses to complete. Each course will be made available as soon as the previous one has been completed.

Q: The test does not appear after watching the video, how do I solve this?

A: Click 'Next Module' in the left uppercorner, afterwards you will be redirected to 'Knowledge Check'.

Q: How do I get access to the next course/module?

A: After the 'Knowledge Check', you have to click 'Return to Dashboard', there you can start the next module/video.

If you have questions about the Cleanload Nexus itself, please visit https://www.cleanloadnexus.com/fag/
